

HELP I NEED SOMEBODY

Presently we are in our third week in our healing series. At TCC we believe all forms of healing. Today I want to take a detailed look into the subject of healing by teaching you the Greek text to see the role of the Holy Spirit in healing.

Romans 8:26 – Likewise the Spirit also helps **our infirmities**; for we know not what we should pray for as we ought: but the Spirit itself makes intercession for us with groaning's which cannot be uttered.

Greek word for infirmities:

Our Help

...likewise the Spirit also **helps** our infirmities:

Sun-anti-lambano

Sun: Partner with. *The position of the Holy Spirit*

2 Corinthians 6:1-2 – We then, **as workers together with Him** also plead with you not to receive the grace of God in vain. (NKJV)

Anti: A person who is against everything

Lambano: To take or receive, to seize or to make your own.

SUNANTILAMBANO

The Holy Spirit **partners with us** in our prayer and is **enraged against anything** that would come against our wellbeing, against any sickness that would dare to come upon our person...As though it has come upon Him. Then He **seizes our sickness** and with great energy and aggression takes it to himself never to be returned!!
